## School News

Our Year 6 children are continuing to enjoy their weekly swimming sessions at Lux Park pool. It has been wonderful to see the improvement in our pupils both in terms of water confidence and swimming technique. Keep up the good work Y6.

What an amazing time our intrepid Y6 campers had on Year 6 expedition this week. The journey began with a train ride to Bodmin Parkway followed by a walk to Lanhydrock and then a 17 mile cycle down the beautiful Camel Trail and up to St Issey. The children then cooked on open fires and built shelters which they bravely slept in! The following day the expedition continued with a walk to Padstow and an Atlantic Ocean fishing trip! On the final day the pupils dismantled camp before walking to Polzeath where they spent 2 hours surfing. Over the 3 days the children cycled a total of 17 miles and walked a fantastic total of 28 miles. The children showed incredible teamwork, determination and resilience and should be massively proud of their adventurous achievements.

The forecast is promising fabulous weather for the weekend. Everyone at St Martin's wishes you an enjoyable weekend with family and friends.
