#Bring Light!

This term we are thinking about the Christian value of respect and, this week, we've been focusing on respecting the positive and being positive for others.

Children look out for and nominate friends each week. The three names out of the hat this week are: **Harry M** YR for having lovely manners and being caring, **Garima** was nominated by Tegan F because she follows the rules and **Imogen** was nominated by Isaac E for showing excellent manners in class.

How lucky we are to have such wonderful children and children
