Collective Worship

#Bring Courage!

This term's Christian value is courage. We have been thinking about how it isn't always easy to do the right thing. We listened to the story of the sheep and the goats where Jesus taught that we needed to look after everyone - not just those we like. He encourages people to especially look after the weakest, the loneliest and the smallest.

It takes courage to stand with the least powerful people in society.

Children look out for and nominate people they see demonstrating Christian values around school each week.

The names out of the hat this week included Venessa W for being a ray of light with her smile and singing and Alex S for bringing courage to his maths this week. Brilliant work Alex!

How lucky we are to have such wonderful children and children who can recognise the good in others.

Uncommon Schools

Sean Powers, our CEO and Shelley England, our Headteacher have been selected to take part in an innovative leadership programme with The Star Institute. This week, they were able to take a look at 'Uncommon Schools' in the US to see exemplary practice in action. Very different, but exciting routines!

Within our Trust, Heads of Schools also met to discuss our pedagogy
